Congratulations on 50 years of Catholic Education!

followed by a reception and Open House**

Dear St. Luke School Community,

Our heartfelt gratitude to the Brigidine Sisters, and all those who followed, for their commitment to the faith formation of the students who have had the opportunity of attending St. Luke Catholic School. The dedication of the Pastors, administrators, teachers, and support staff, has contributed to the building of the Body of Christ within this school community. Also, the extraordinary success of St. Luke School would not have been possible without the support and cooperation of the parents and parishioners. To the many parents who have served on the School Council and the PTC in service to the St. Luke community, our heartfelt thanks.

Our mission remains. It is with renewed commitment that the administration, faculty, and staff continue to fulfill the mission. We remain steadfast in our pursuit of excellence. May our heavenly Father continue to bless our efforts and commitment to serve Him through the faith formation of our children and the nurturing of their gifts.

Blessings,
Marcella Salazar
Principal
