JN 14:23

### Thank You. . . Thank You. . . Thank You

The faculty and staff extend a heartfelt thanks to the many parents who contributed to the luncheon for the faculty on Friday, May 7. It was expressed to the administration and faculty that the lunch was an expression of gratitude from a group of parents for all that the teachers and staff do for the children on a daily basis. The PTC regularly provides lunches for the faculty on early dismissal days and other special occasions. The luncheon on Friday was a delightful addition to the calendar of special events. The gift cards from the parents who donated them were a big surprise and fun for the teachers.

Thank you to all the parents who donated gift cards and to the parents who set up the luncheon. It was a beautiful afternoon following an event-filled field day. A special thank you to Mrs. Lorene Toscano for taking the lead and coordinating the event. Bless you, all of you.

### 7<sup>th</sup> and 8<sup>th</sup> Grade Final Exams

Final exams are approaching for the 7<sup>th</sup> and 8<sup>th</sup> grades. Study Guides have been provided. Our students are being prepared well for the final exams; how well they perform will be a reflection of their efforts. Any student not present for an exam will not receive a final grade until the exam is completed. This incomplete grade will be indicated with an “I” on the report card. For 8<sup>th</sup> grade, diplomas will be withheld until the “I” is changed to a numerical grade.

We wish ALL our 7<sup>th</sup> and 8<sup>th</sup> grade students well as they prepare for their finals.
